## INFRASTRUCTURE SERVICES

### **EXPRESSION OF INTEREST FOR THE SUPPLY AND DELIVERY OF OUTDOOR VENDOR KIOSKS**

The Town of Drumheller has developed a Downtown Plaza. We have built a movable stage, washroom facilities, storage sheds, and have converted one of those storage sheds into a business that sells shaved ice during the summer months. We are hoping to host more events at the plaza for enjoyment by the public.

We are seeking expressions of interest from companies to supply, deliver and set up outdoor vendor buildings to our Plaza. The buildings can be comprised of wood, metal, or other suitable materials, or there may be a possibility to convert C-Can containers into pop up businesses. The types of vendors that will use the kiosks will be retail space, food vendors, licensed facilities, and visitor information.

The units would need to be insulated, drywall and painted, there needs to be man doors on the ends of each unit. If the unit is to have 2 businesses in one container there needs to be a firewall between the two units. There also needs to be an electrical box, plug ins, light switch as well as one ceiling mounted light. Quoted sizes may vary but not exceed 40' in length.

We have attached some photo ideas as samples as to the type of outdoor vendor kiosks we are seeking a price quote on. Expression of interests will be evaluated and determined within the 2020 budget discussions. Please provide timelines for construction and installation in your submissions.

**Interested parties are to respond in writing to the address below by November 21, 2019 at 2:00 pm local time.**

**SEND TO MAILING ADDRESS:**

**TOWN OF DRUMHELLER

**EOI for Supply, Delivery and Installation of Outdoor Vendor Kiosks**

This is only an inquiry as to what type of outdoor vendor kiosks companies may be able to design and supply and install. The Town of Drumheller will have no obligation to enter into a purchase agreement with any proponent as a result of this Expression of Interest.
