PROPOSAL REQUIREMENTS

DELETE:

Three design concepts using the attached brand document.

INSERT:

Two design concepts. These concepts should be a primary run at a logo design and concept; not a fully scoped out design. This will allow us to see that the proponents have read and understood our ideas and thoughts on the direction we want to go. These designs shall not be used by the Town of Drumheller if the proponent is not chosen for this contract and not shared with any other organisation.
