Testimonials

“ The facility was a wonderful venue for our fundraising event. Our event was more successful than we first thought, and extra tables were brought out easily and set up when requested. It made our guests comfortable, and so they enjoyed themselves. The space was super to host almost 200 people and the area was great for sound for the bands as well. No one was overwhelmed or complained of the band being too loud – it was just right! We will definitely use this place again! ”

- B. Steeves.

“ The Alberta Community Art Clubs Association held their Alberta Wide Art Show & Sale at this facility this year with the help of the local art club. It was a fabulous show, well hung, in a great hall right off the main entrance. ”

- B. Carson

“ The Badlands Community Facility staff worked around our needs and went on to host an event that exceeded our expectations. The staff worked with us before the event to ensure everything was in place, and worked hard during the event to make sure our event ran smoothly. Overall, we have nothing but positive things to say about the Town of Drumheller, the BCF and their staff. ”

- J. Moir
