

SCHEDULE OF PRICES

FOR

TOWN OF DRUMHELLER

**STIRLING DITCH & 2ND AVE
TENDER NO. 2023-031**

Kerr Wood Leidal Project No: 3446.012

APRIL 2023

SCHEDULE OF PRICES

1.1 TERMS

- .1 For each price specified in the Schedule of Prices, include all costs and charges required to perform the Work including overhead charges and profit, and all costs of all related Work for which payment is not specified elsewhere.
- .2 Subject to the provisions of the Contract Documents, the total amount of the Schedule of Prices shall cover all of the Contractor's obligations under the Contract and all matters and things necessary for performance of the Work in accordance with the Contract Documents.
- .3 Payment will be made only for items specified in the Schedule of Prices. Costs and charges not directly provided for in the Schedule of Prices will be deemed to be included therein.
- .4 Estimate the cost for Mobilization and Demobilization and Contract Management as one item.
- .5 All costs associated with the implementation of Dutch elm disease / European elm bark beetle / native elm bark beetle control measures will be considered incidental to the Work and no separate or additional payment will be made. Payment upon submission of landfill waybills to the Town by the Contractor.
- .6 All costs associated with the implementation of black knot fungus control measures will be considered incidental to the Work and no separate or additional payment will be made. Payment upon submission of landfill waybills to the Town by the Contractor.
- .7 Work or material included in any one item will not also be measured for payment under another item. No item will be paid for more than once.
- .8 Omissions or errors in any item including quantities in the Schedule of Prices will not invalidate the Contract nor release the Contractor from any of his obligations or liabilities under the Contract.

1.2 LUMP SUM ITEMS

- .1 Breakdown of Lump Sum Items
 - .1 If requested, submit to the Town a breakdown of each Lump Sum item included in the Schedule of Prices, within 2 days after the commencement date of the Contract.
 - .2 Provide sufficient details as may be required by the Town to identify the principal components of the Work and to permit ready valuation of Work performed.
