

## REQUEST FOR DECISION

<b>TITLE:</b>	Proposed Nacmine Road Closure Bylaw 02.24
<b>DATE:</b>	December 28, 2023
<b>PRESENTED BY:</b>	Darryl Drohomerski, C.E.T., CAO
<b>ATTACHMENT:</b>	Bylaw 02.24; Schedule 1

### **SUMMARY:**

As part of the Town's Flood Mitigation Project and provincial funding agreement, the Province is requiring the Town of Drumheller own the land that current or proposed berms will be placed, including those berms that currently or would sit on Public road rights-of-way. A portion of these rights-of-way need to be closed for the construction of the new berms. This Bylaw deals with closing a portion of the right of way at the northwest corner of the intersection of 1<sup>st</sup> Street and 3<sup>rd</sup> Avenue in Nacmine to facilitate berm placement.

### **RECOMMENDATION:**

That Council gives first reading to Nacmine Road Closure Bylaw 02.24 and sets the Public Hearing date for February 5, 2024.

### **DISCUSSION:**

Under the funding agreement between the Town and Alberta Environment, the construction of any new berms shall be placed on land owned by the Town of Drumheller, including any road rights of way. This road closure bylaw will accomplish that task for the Nacmine Berm that cuts diagonally across the northwest corner of the intersection of 1<sup>st</sup> Street and 3<sup>rd</sup> Avenue at the west end of Nacmine. This closure will not impact any pavement at this intersection.

There is a difference between a right of way and a road. A road is the surface that is contained within the right of way and is generally 7-9 meters wide. A right of way is a legal entity under the ownership of the Province and varies from 6 meters (for an alley) to 20-40 meters for a street or avenue. Many rights of way, at least in Drumheller area, may not have a road contained within the boundary.

These portions of road closures are necessary to wrap the berm around, and protect, the properties in the west end of Nacmine that are below the Provincial 1:100 Flood Elevation.

The lands where the berm is being placed will be converted into Public Utility Lot to align with the other land in the valley that berms currently or will reside upon.

**FINANCIAL IMPACT:**

The costs to convert this land are included with the Flood Mitigation project and is a requirement of the provincial funding agreement.

**STRATEGIC POLICY ALIGNMENT:**

Flood Mitigation is the key strategic priority of this Council and Administration.

**COMMUNICATION STRATEGY:**

A notice of the proposed Road Closure and Public hearing will be provided via;

- Newspaper ads in the Drumheller Mail will run on January 24 and 31
- Letters to properties in the adjacent area will be mailed out by January 19
- Posting on the Town Website, DrumhellerOnline Community Events Page.

**MOTION:**

That Council give first reading to Bylaw 02.24 Nacmine West End Road Closure and set the Public Hearing date for February 5, 2024.
